

International Relations Cell

Undertaking
FTP 2022

I MANSI UNIYAL, a 3rd year student of the Indian Institute of Technology, Kharagpur with roll number 19EE10029, hereby declare that I accept the project, Multimodal ML & IoT for beehive analysis Under Professor Tiago Falk from the University, INRS-EMT University of Quebec remotely/ on-site (please tick one) from May to July under the FTP program. These dates are finalised/tentative (please tick one).

As, bound by the regulations of the program, I agree to:-

- 1) Consult International Relations Cell, IIT Kharagpur and Office of International Relations, IIT Kharagpur before terminating the internship.
- 2) Take full responsibility for my behaviour and agree to strictly follow all guidelines laid down by my host university and host country and understand that I am answerable, directly to the Office of International Relations in case of any misconduct that may hamper the institute's reputation.
- 3) Solely be responsible for my safety and well being.
- 4) Take full responsibility of any other duties to be performed by me, which may clash with the dates of the internship, I understand that International Relations Cell and the Office of International Relations, will not be responsible for any challenges in semester registration due to stretched internship or any other academic or non-academic problems before, during or after the internship

I MANSI UNIYAL agree to be answerable to the competent authorities at IIT Kharagpur, if found to be violating any terms of this undertaking.
